

JAMA Joint Activities with the Intellectual Property Office of the Philippines (IPOP HL) in Support of Design Rights Protection

■ Meetings with IPOP HL to Exchange Opinions

- In October 2022, JAMA held an online meeting with IPOP HL to exchange opinions and explain how to apply design similarity assessment criteria in the case of motorcycles.
- In June 2023, JAMA held an in-person meeting with IPOP HL representatives during their visit to Japan to exchange opinions and confirm IPOP HL's intention to publish original-design assessment criteria.

■ Design Seminar for IPOP HL Examiners

- In January 2024, JAMA made an in-person presentation in the Philippines on the difficulty of determining original product designs (partial) and requested the formulation and publication of assessment criteria.
